Mobility Management

Mobility Management Projects are capital projects that increase access to mobility for Ohioans by increasing understanding and awareness of transportation needs, promote coordination of transportation options to meet needs, and build sustainable and healthy communities by integrating transportation into planning and programs.

Our Services

- Assist individuals with accessing all community transportation options
- Assist older adults in fitting safely in their vehicles using the CarFit checklist

About Us

We coordinate transportation service providers in these counties:

- Defiance
- Henry
- Fulton
- Paulding
- Williams

We are housed within Maumee Valley Planning Organization and grant funded through the Ohio Department of Transportation's Section 5310 funding.

Project Statement

Northwest Ohio Mobility is focused on coordinating and improving services for **older adults, people with disabilities, and low-income individuals** in Northwest Ohio.
