What is a TCC and why are we meeting?

A TCC, or Transportation Coordination Committee, is a committee of transportation providers, planners, riders, and anyone else that may have something to do with transportation and mobility in the area. We meet quarterly to discuss transportation, mobility, and the Coordinated Transportation Plan for the area.

What is a Coordinated Transportation Plan?

This is a plan for Paulding County area to coordinate transportation providers in order to increase mobility for folks in our area and find transportation gaps.

- There are new commissioners in Paulding County – need to set up a meeting to go over the coordinated plan
 - Lora Lyons setting up meeting

Goals & Strategies

Please see *Paulding County Goals and Strategies* sheet.

Does anything need to be added or changed? This will be discussed during each quarterly meeting.

- Goal 1: Main funding is 5310 focuses on senior citizens and people with disabilities
 - Strategy 1.1: Some people pay privately, but funding is trying to be found to get people to work. Sierra wants to add Paulding to the Multi-County (Defiance, Fulton, Henry, Williams) TCC plan.
- Goal 2:
 - Strategy 2.1: Marsha has retired, and she was concerned about competition and losing funds.
 - Have a separate meeting with Carrie, the new director
 - 2026 is more feasible for this goal rather than 2025
- Goal 3:
 - Strategy 3.1: Sierra starting up monthly reports in August or September
 - All programs and providers up to date on the mobility website
 - Attending 2 public events
 - Senior center has hosted some events
 - Sierra posts on Facebook almost weekly
 - Sierra will create a LinkedIn for professionals in mobility to connect
 - Lots of younger people on TikTok
