The screenshot displays the SEAT website interface. At the top right, there is an "EVENTS" button and a hamburger menu icon. The main heading is "RIDE SEAT BUS!" with the tagline "HERE TO IMPROVE LIVES ONE PASSENGER AT A TIME". Below this is a phone icon and the number "740-454-8573". The text asks, "Are you looking to schedule a single SEAT Bus ride or to cancel your reservation?" and provides two yellow buttons: "SCHEDULE A RIDE" and "CANCEL YOUR RESERVATION". Below that, it asks, "Do you want to register for a SEAT Bus account?" with a yellow "ACCOUNT SETUP" button. At the bottom, it says "Already registered, login today!" with a yellow "MY ACCOUNT" button. The background features a faint map of the SEAT service area with various neighborhood names like MANHATTAN, UPPER EAST SIDE, KITCHEN TOWN, JACKSON HEIGHTS, ELMHURST, FOREST HILL, BIRCHWICK, BROOKLYN, WYOMING, SLEEPYHEAD, SAUNDERS BEACH, and ROCKAWAY PARK.

## Next Steps

- Identify a lead agency
- Connecting with Trip Master by CTS (software company) to identify costs associated with licensing
- Speaking with ODOT to determine best funding stream
- Steering Committee drafting a plan for TCC Committee to review and approve

# Lead Agency Proposals

Must identify:

- Create a budget. What ODOT funding stream would be utilized?
- Proposed method of brokering rides. Technology that would be utilized.
- Staffing structure to coordinate necessary work
- Vision of call center structure and operations.
